

## Enjoy the peace of mind a PLUS<sup>®</sup> umbrella policy offers

Liability costs could run into hundreds of thousands of dollars, and more. Your existing policies may not be enough. But instead of wondering about what you could lose, find out about the added peace of mind you could gain with an Umbrella policy.

### What is an Umbrella policy?

An Umbrella policy provides an extra layer of protection by extending the limits of your primary auto, home or boat policies. And the affordability of an Umbrella policy could be a pleasant surprise.

### Reasons to consider an Umbrella policy

- Increase your liability coverage in the event that you are found responsible for a serious car accident or incident on your property
- Protect your personal assets from claims that may exceed the limits of your primary auto, home or boat policies
- As you accumulate more assets and add youthful operators to your auto policies, you may increase exposure to risk

### Travelers Umbrella insurance can provide:

- An extra \$1M to \$10M of liability coverage, which can help protect your assets
- Coverage for claims like libel, slander, defamation of character and invasion of privacy
- Helps cover defense costs, attorney fees and other charges associated with lawsuits
